Final Program

SCARD Mission & Board of Directors

Past Presidents

Future Meeting Dates
Accreditation and Designation Statement
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Radiological Society of North America (RSNA) and the Society of Chairs of Academic Radiology Departments (SCARD). The RSNA is accredited by the ACCME to provide continuing medical education for physicians.

The RSNA designates this live activity for a maximum of 15.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Evaluation
In compliance with the ACCME requirements, you must record your attendance and evaluate the sessions you attend in order to receive AMA PRA Category 1 Credits™.

The evaluation instructions will be provided to you at registration. The session evaluations will be electronic submission. A record of the CME credit earned at this meeting will be emailed to you shortly after the program.

Content Codes
To better help the participants of this CME activity organize their CME records, two-letter content codes will be indicated throughout the program and in the evaluation booklet. The key to the codes follows:

AI  Artificial Intelligence
LM  Leadership & Management
2019 SCARD Fall Meeting

Target Audience
Radiologists holding appointments in academic medical centers and engaged in research and teaching as well as clinical practice.

Learning Objectives
At the conclusion of this live activity, participants will be able to:

- Demonstrate understanding of the organizational and financial challenges that face academic radiology.
- Describe how healthcare reform might impact academic radiology.
- Demonstrate understanding of regulations regarding residency and fellowship training.
- Identify and discuss managerial problems and solutions.
- Demonstrate understanding of current information technology and social media applications for the field of radiology.

Disclosure Statements
The Accreditation Council for Continuing Medical Education (ACCME) requires that the Radiological Society of North America (RSNA), as an accredited provider of continuing medical education, obtain signed disclosure statements from meeting faculty, including committee members, program planners, and presenters. The intent of this policy is not to prevent an individual with a financial relationship from participating; however, in accordance with ACCME standards, the RSNA has developed policies and procedures to manage identified conflicts of interest.

The ACCME further requires that the RSNA provide disclosure information to all attendees prior to the educational activity. Faculty who have or have had an affiliation or financial relationship with any commercial interest (within the previous 12 months or at the time the research was conducted) are noted with an asterisk (*) after their name in the program book. Financial disclosure statements for these individuals are reported after each individual’s name in the disclosure index. All other individuals have indicated they have nothing to disclose.
2019 SCARD Fall Meeting

Thursday, September 19, 2019

7:00 AM – 7:55 AM

**Breakfast**
Location: Pavilion Ballroom East

---

**SCARD General Session**
Location: Atrium Ballroom

7:55 AM – 8:00 AM

**Welcome**

---

8:00 AM – 9:00 AM

**AAARAD Survey, Analysis, and Forecasting**

*AMA PRA Category 1 Credit™: 1.00*

Moderator: Ann S. Fulcher, MD

Ann S. Fulcher, MD
Sherry C. Elliott, MBA

**Learning Objectives:**
1. Compare/contrast compensation across faculty ranks and subspecialties.
2. Compare/contrast work RVU productivity across subspecialties.
3. Apply compensation and productivity data benchmarks to individual/institutional compensation plans.
5. Discuss ways in which academic radiology compensation plans may be developed to address practice variations in the rapidly changing health care environment.

---

9:00 AM – 11:30 AM

**Health Systemization, Corporatization, and Leadership**

*AMA PRA Category 1 Credits™: 2.25*

Moderator: Carolyn C. Meltzer, MD

**Learning Objectives:**
1. Synthesize the complexity and variability of mergers, acquisitions, and partnerships involving academic health systems.
2. Critique challenges and opportunities for the academic radiology chair to manage from the middle in balancing clinical system needs with those of faculty and learners.
3. Utilize strategies of influence and communication at the institutional level to demonstrate the role of the academic missions in supporting health system brand strength.

---

### Learning Objectives
1. Describe the role AI might play in altering the radiologist’s role in the clinical care team.
2. Identify how AI can be used to improve workflow and finances of an academic department.
3. Compare how different departments have incorporated AI into their operations.
4. Describe the challenges of integrating AI into our educational programs.

---

**9:20 AM – 9:40 AM**

**HR: Pitfalls to Avoid**

*Micahel Alberts, MD, PhD*

---

**9:40 AM – 10:00 AM**

**Break**

---

**10:00 AM – 12:00 PM**

**AI Update**

*AMA PRA Category 1 Credits™: 2.00*

**Moderator:** *Michael P. Recht, MD*

**Learning Objectives**

1. Describe the role AI might play in altering the radiologist’s role in the clinical care team.
2. Identify how AI can be used to improve workflow and finances of an academic department.
3. Compare how different departments have incorporated AI into their operations.
4. Describe the challenges of integrating AI into our educational programs.

---

**10:00 AM – 10:15 AM**

**Integration of AI at the Workstation: Where Are We Now and Where Will We Be in 5 and 10 Years?**

*Bethany U. Casagranda, DO*

---

**10:15 AM – 10:30 AM**

**Can AI Improve Workflow, Productivity, and Finances in Academic Radiology Departments?**

*Micahel P. Recht, MD*

---

**10:30 AM – 10:45 AM**

**Integration of AI into an Academic Pediatric Department: How Are We Doing It?**

*Manohar M. Shroff, MD*

---

**10:45 AM – 11:00 AM**

**Integration of AI into a Large Academic Center: How We Did It**

*Scott B. Reeder, MD, PhD*
11:00 AM – 11:15 AM  
**AI Research: When to Do It Yourself and When and How to Partner with AI Vendors**  
Ananth Annapragada, PhD*

11:15 AM – 11:30 AM  
**AI Education: How Do We Integrate It into Our Residency Programs?**  
Jocelyn D. Chertoff, MD*

11:30 AM – 12:00 PM  
**Panel Discussion**

12:00 PM – 2:00 PM  
**SCARD Business Meeting/Luncheon (Members Only)**  
Location: Broadway 1-3

2:00 PM – 3:40 PM  
**Workforce Development, Part II**  
*AMA PRA Category 1 Credits™: 1.75*  
Moderator: Christoph Wald, MD, PhD*

*Learning Objectives:*  
1. Identify options for performance assessment, mitigation and transitional strategies for aging radiologists and their respective implications.  
2. Explain specific opportunities for department chairs to impact the development of early, mid and late career colleagues who report to them.  
3. Describe specific activities that help first identify and then cultivate future leaders.  
4. Describe leadership styles (coaching, other), and their pros and cons.  
5. Explain the benefits of operational standardization, driving consistency in collaboration to maximize collective impact.

2:00 PM – 2:20 PM  
**When Faculty Lose their Faculties**  
Christoph Wald, MD, PhD*

2:20 PM – 2:40 PM  
**Partnering: Economies of Scale, Collaboration, Consistency**  
Giles W. Boland, MD
2019 SCARD Fall Meeting

Friday, September 20, 2019 (continued)

2:40 PM – 3:40 PM  
**Our Role as Leaders**

_Dieter R. Enzmann, MD_  
_Neil M. Rofsky, MD*  
_Alexander Norbash, MD*

3:40 PM – 5:00 PM  
**Society Updates**  
**AMA PRA Category 1 CreditsTM: 1.25**

_Moderator: Cheri L. Canon, MD*

**Learning Objectives:**
1. List updates from our national societies.  
2. Implement programs to address issues in our profession.  
3. Discuss best practices for our training programs.

3:40 PM – 4:00 PM  
**ACGME**

_James Anderson, MD_

4:00 PM – 4:20 PM  
**ABR**

_Valerie P. Jackson, MD_

4:20 PM – 4:40 PM  
**ACR**

_Geraldine B. McGinty, MD_

4:40 PM – 5:00 PM  
**ARR**

_Renee L. Cruea_

5:00 PM  
**Adjourn**

6:00 PM  
**SCARD/SCORCH Networking Reception**  
Location: Skyline 1-2

* Author disclosure appears in Disclosure Index
Saturday, September 21, 2019

6:45 AM  Breakfast
Location: Pavilion Ballroom East

6:55 AM  Announcements

---

SCARD General Session
Location: Atrium Ballroom

7:00 AM – 8:30 AM  Physics Update  LM
AMA PRA Category 1 Credits™: 1.50

Moderator: Cynthia H. McCollough, PhD*

Learning Objectives:
1. Identify the requirements to become a qualified medical physicist.
2. Explain the value of employing imaging medical physicists in an academic radiology department to practice administration.
3. Describe the challenges associated with training enough qualified imaging medical physicists to meet the current and future demands of radiology practices.
4. Communicate the benefits of an imaging medical physics residency program to an academic radiology department.
5. Recognize the importance of imaging medical physicists to the overall innovation, education and research objectives of an academic radiology department.

7:00 AM – 7:35 AM  What is a Qualified Medical Physicist and What Do They Do in an Academic Radiology Department?
Cynthia H. McCollough, PhD*

7:35 AM – 8:05 AM  Building the Next Generation of Imaging Physics Leaders
John D. Hazle, PhD

8:05 AM – 8:30 AM  From Basic Science to Implementing Advanced Technologies in a Clinical Setting: How Imaging Physicists Create a Wake of Research Opportunities
Erik K. Paulson, MD

* Author disclosure appears in Disclosure Index
2019 SCARD Fall Meeting

Saturday, September 21, 2019 (continued)

8:30 AM – 10:00 AM

Emergency Radiology in Academic Practices: Making It Work

*AMA PRA Category 1 Credits™: 1.50

Moderator: Susan D. John, MD

**Learning Objectives:**
1. Anticipate the trends of the growing 24/7 service expectations in healthcare.
2. Appreciate the value of emergency radiology as a distinct discipline in academic medicine.
3. Develop an emergency radiology coverage model for your department and mitigate burnout in night coverage faculty based on best practices.

8:30 AM – 9:00 AM

Moving Healthcare to 24/7

*James J. McCarthy, MD*

9:00 AM – 9:20 AM

Emergency Radiology: Is It a Distinct Discipline?

*Jamlik-Omari Johnson, MD*

9:20 AM – 9:50 AM

Models of 24/7 Emergency Imaging and Avoiding Burnout

*Aaron D. Sodickson, MD, PhD*

*Suzanne T. Chong, MD*

9:50 AM – 10:00 AM

Discussion

10:00 AM – 11:00 AM

Our Industry Partners

*AMA PRA Category 1 Credit™: 1.00

Moderator: Jocelyn D. Chertoff, MD, MS*

**Learning Objectives:**
1. Discuss differences between types of boards.
2. Describe a productive relationship with industry.
3. Compare industry and federal funding of research.

10:00 AM – 10:20 AM

Productive Industry Relationships

*Judy Yee, MD*

The objectives of the Society of Chairs of Academic Radiology Departments are:

1. To advance the art and science of radiology by promoting medical education, research, and patient care.
2. To develop methods of undergraduate and graduate teaching in radiology.
3. To provide a forum for discussion of problems and mutual interests among radiology department chairs.
4. To develop and advance policies and initiatives essential for the success of the clinical, research and educational missions of radiology and imaging sciences.

2018-2020 Board of Directors
