

2021 SCARD Fall Meeting

October 7-8, 2021

In Joint Providership with the Radiological Society of North America

Accreditation and Designation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Radiological Society of North America (RSNA) and the Society of Chairs of Academic Radiology Departments (SCARD). The RSNA is accredited by the ACCME to provide continuing medical education for physicians.

The RSNA designates this live activity for a maximum of 11.00 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Evaluation

In compliance with the ACCME requirements, you must record your attendance and evaluate the sessions you attend in order to receive *AMA PRA Category 1 Credits*[™].

The evaluation instructions will be provided to you at registration. The session evaluations will be electronic submission. A record of the CME credit earned at this meeting will be emailed to you shortly after the program.

2021 SCARD Fall Meeting

Target Audience

Radiologists holding appointments in academic medical centers and engaged in research and teaching as well as clinical practice.

Learning Objectives

At the conclusion of this live activity, participants will be able to:

- Demonstrate understanding of the organizational and financial challenges and opportunities facing academic radiology.
- Describe how workforce shortages and practice consolidation might impact academic radiology and its education mission.
- Demonstrate understanding of opportunities for radiologists to impact health equity and quality patient outcomes.
- Identify and discuss lasting institutional resource, workflow, and wellbeing implications of the COVID-19 pandemic.
- Demonstrate understanding of approaches to strengthen academic radiology through transformational progress in diversity, equity, and inclusion priorities.

Disclosure Statements

The Accreditation Council for Continuing Medical Education (ACCME) requires that the Radiological Society of North America (RSNA), as an accredited provider of continuing medical education, obtain signed disclosure statements from meeting faculty, including committee members, program planners, and presenters. The intent of this policy is not to prevent an individual with a financial relationship from participating; however, in accordance with ACCME standards, the RSNA has developed policies and procedures to manage identified conflicts of interest.

The ACCME further requires that the RSNA provide disclosure information to all attendees prior to the educational activity. Faculty who have or have had an affiliation or financial relationship with any commercial interest (within the previous 24 months or at the time the research was conducted) are noted with an asterisk (*) after their name in the program book. Financial disclosure statements for these individuals are reported after each individual's name in the disclosure index. All other individuals have indicated they have nothing to disclose.
